

**Your Tax Returns Are Backed By Martin H. Chan, P.C.,  
a Certified Public Accounting Firm.**

Martin H. Chan, P.C. guarantees Accuracy and Audit Assistance in every return that we prepared.

**Accuracy**

If we make an error, we will correct our error at no costs and reimburse you for any penalties and actual interest damages you incur. You will still be responsible for any additional taxes that would have been due had the error not been made.

**Audit Assistance**

If your return is being audited, we will help you explain your audit notices and serve as your advisor throughout the audit process. If you should require or request that we represent you, we will be glad to do so for an additional charge.
